## SALASAR AGRO PANEL

Salasar Agro Panel is an emerging and popular particle board manufacturer based in India. Building its foundation of quality and aesthetic supremacy, Salasar has created an assemblage of immaculate particle boards. Each board takes inspiration from nature and takes over décors with incomparable panache and grace. The USPs of Salasar Agro Panels include excellent quality, refined aesthetics and affordable prices. The particle boards are second to none in strength, durability and application potential. All necessary steps are taken during the manufacturing of these boards to maximize their usage in every possible way. Salasar has a state-of-the-art facility to ensure above industry standards particle boards are consistently churned out. All these efforts culminate in making Salasar Agro Panels an exceptional product in terms of quality, durability, strength, utility and affordability.
